

End of season wind-up

Food Service

At the end of the season, it is important to celebrate all the achievements both on and off the field.

We also know that it's a time for parents and volunteers to hang up their aprons and join in with the festivities. Use our end of season wind up factsheet and keep the healthy eating momentum going, even if you are ordering in!

Drinks:

Water is the best choice. It contributes no excess energy or sugar, won't damage teeth and keeps everyone hydrated, especially on warm days.

- Offer water, flavoured milks (300 mL) and 99% fruit juices (250 mL) instead of sugary drinks.

Barbeques & sausage sizzles

A barbeque is a quick and easy way to cater for a crowd. As a cooking method, barbequing can be a healthy choice. It often falls down when high fat sausages and greasy burgers are used.

- Make your next sizzle a healthy one by using:
- Reduced fat beef or chicken sausages – aim for 3.5g or less per 100g of saturated fat and 400mg or less per 100g of salt**
- Burgers loaded with salad
- Beef, chicken or vegetable skewers
- Vegetable sides, such as grilled corn on the cob, mixed vegetable kebabs or coleslaw.

Something sweet

Keep it simple and order in:

- A platter of seasonal fruit
- Fruit salad cups with yoghurt
- Small portions of un-iced cakes, scrolls or slices that contain fruit, vegetables or nuts that are made on site - there are lots of tasty recipes on the [Fuel to Go & Play Website](#)
